IT ALL BEGINS WITH DESIGN

Randy Lee's hand-picked design team is comprised of forward-thinking, artisan-minded, and creative thought leaders.

The company's talent offers an array of in-house exterior design services.

OUR DESIGNS

- 2-D and 3-D landscape plan designs
- Low maintenance and high impact
- Water conscious, sustainable, waterfront, and drought tolerant
- Hardscape designs for pools, patios, pergolas, pathways and more
- Various materials available such as artificial turf and imported tiles
- LED lighting for day to night transitions
- Private and social spaces for quiet times or entertaining
- Art, pots, furniture, and functional aesthetics integration

DESIGNER POOLS & PERGOLAS

Enhance your outdoor living spaces with a designer pool or pergola.

Our pool designs are created to complement your style and landscape.

Our pergola designs add dimensional interest and provide filtered shade during sunny Floridian days.

Each one, consciously designed for your space and style, adds value to your outdoor space.

DECKS, DRIVES, PATIOS & PATHWAYS

Function does not have to look utilitarian. Artistically designed, function can serve as a beautiful, integrated complement to your home and outdoor living.

OUR DESIGNS

- Various materials such as artificial turf, tile, brick, and composites are available to complement your home and style
- Durable function and artful aesthetics
- Define outdoor living spaces

ILLUMINATE YOUR NIGHTS

LED landscape lighting systems now offer a variety of features and functions. From color changes and design patterns to complete automation or manual control, LED lighting has become a necessity for outdoor living in today's modern landscape.

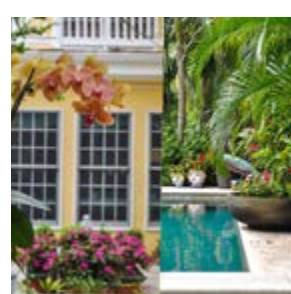

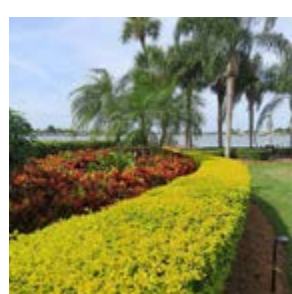

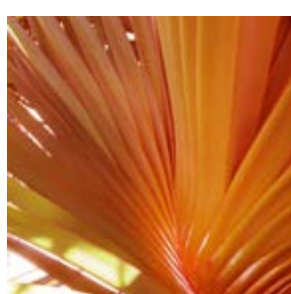

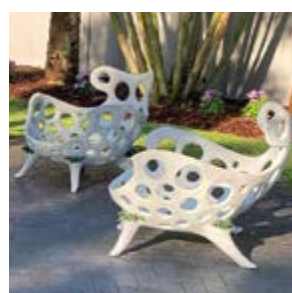

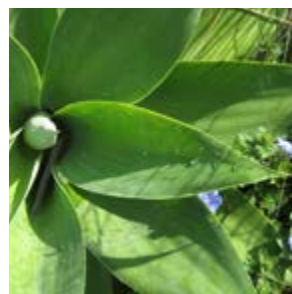

A TRANSFORMATIVE EXPERIENCE

Embrace the opportunities afforded by your outdoor spaces.
Extend your indoor living outdoors with the style and function intended for your lifestyle.
